## Open Competition—September 2018

### Report—Alan Keen

Wednesday night saw our first internal competition of the season, 16 members took the opportunity to enter. There were a total of 56 entries, 31 colour and 25 mono.

The judge, Mike Bennett, gave detailed feed back for all the presented images. He held back 8 colour and 8 mono images and eventually giving top marks to 3 images.

As well as all scores going towards the Emlyn Perret Trophy at the end of the year the 20 pointers were also considered for **The Cliff Espin-Bradley Trophy**.

After much deliberation, Mike finally decided on awarded the trophy to Alan for his image "Waiting for the Shoot". This is the second time Alan has won this award.
